### **DETAILED ACTION**

- This action is responsive to the following communication: Amendment after final filed on 8/23/07 BPAI decision dated 5/30/07.
- Claims 7 & 18 are allowed, renumbered as claims 1-2. Claims 1-6, 8-17, 19-23 have been canceled.

### ***Allowable Subject Matter***

- Claims 7 & 18 are allowable over prior art of record; renumbered as claims 1-2.

The following is an examiner's statement of reasons for allowance: The cited prior arts (US 5898823 to Sorkin and US 6606164 to Erie) fail to teach and/or suggest control data does not particular deal with object rendering data that includes text, graphics, and description language about a document to be made as per decision by BPAI and in combinations of other features as cited in independent claim 7 (renumbered as claim 1). The examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of prior arts that teaches the above limitations and in combinations of other features cited in claim 7 (renumbered as claim 1).

### ***Conclusion***
